

Maltimur-Rafulin Official Handover

Datuk Menteri Abang Haji Mohammad Zin Bin Haji Salleh Roundabout Beautification Project

Monday, 18 July 2022, Kuching – Yesterday's official project handover marks the completion of the beautification of Datuk Menteri Abang Haji Mohammad Zin bin Haji Salleh roundabout, located near DBKU head office and Normah Medical Specialist Centre.

The beautification of Petra Jaya's central roundabout is a Corporate Social Responsibility (CSR) initiative by Maltimur Resources and Rafulin Holdings Sdn Bhd, through Lebuhraya Borneo Utara.

The handover was organized by Dewan Bandaraya Kuching Utara (DBKU) and attended by Datuk Dr. Abdul Rahman Junaidi (Utility and Telecommunication Deputy Minister II), Haji Mohamed Khaidir Abang (Director, DBKU), Ir. Haji Junaidi Sahadan (Executive Chairman, Maltimur) and Haji Mohamad Zaidee Abang Hipni (Group Executive Director, Maltimur).

In his opening address, Datuk Dr. Abdul Rahman Junaidi highlighted that Maltimur-Rafulin are the first to contribute to DBKU's Kuching City Clean, Beautiful and Safe Improvement Plan and hopes that more corporations will follow.

He was also impressed by the prompt completion of beautification works for the roundabout, which took approximately four months.

The revamped Datuk Menteri Abang Haji Mohammad Zin bin Haji Salleh roundabout now boasts a central allamanda, "WE ♥ KUCHING" sign, and recently planted flowers as part of landscaping works. Kuchingnites will be delighted to observe the installed light features to highlight the roundabout's new features.
