

Maltimur Leads Delegation To Kalimantan Barat

Tuesday, 8 November 2022, Kuching - Maltimur was part of a delegation of Sarawak private sector companies that journeyed to Kalimantan Barat (Kalbar) between 1 to 4 November 2022 for project development. With the move of the Indonesian capital from Jakarta to Nusantara in Kalimantan, the prospect for new business opportunities are many and varied. A trip to see, engage and understand the business scene was important.

Apart from Maltimur, the private sector delegation comprised businesses such as information technology, utilities and infrastructure. Maltimur's team was led by Executive Chairman, Ir. Haji Junaidi Sahadan. The purpose of the visit was to establish networks with local key stakeholders and explore prospective projects.

The 4-day visit included stops at Sambas, Singkawang, Pontianak and Sanggau. At each destination, the delegation engaged with local Government officials – from the Governor of Kalbar to the Bupati, Walikota and Kepala Dinas from each destination – as well as the Chamber of Commerce, Himpunan Perusahaan Muda Indonesia.

The engagement with Kalimantan stakeholders provided rich insights into existing challenges and the status of on-going projects like the development of a toll highway connecting Kalbar districts.

The delegates also had a unique opportunity to visit the newly completed Port Tanjungpura, formerly known as Port Kijing. The port is Kalimantan's deep seaport and hub for exporting goods, which is central to Indonesia's economy.

As the saying goes, "The journey of a thousand miles begins with a single step". Here's to extending our prospects beyond our borders!
